Colombo Two with Bluetooth®

Designed by **ChauhanStudio.** for SGW Electronics Ltd.

SGW's DECT telephones with Bluetooth wireless technology integrates your mobile phone with your home telephone, allowing you to benefit from lower call charges and greater flexibility and convenience at home.

- Use the DECT phone to answer calls to your mobile/cell phone at home
- Use the DECT phone to make calls using your mobile/cell phone contract
- Caller ID will be displayed on the DECT phone
- Improved call clarity in the Home using the DECT phone

The Bluetooth word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks is under licence. Other trademarks and trade names are those of their respective owners.
